To Whom It May Concern:

I highly recommend First American.

Not only was the rep local and straightforward, but he helped me save a lot of money. My previous processor told me my only option was to lease a terminal.

After the rep at First American analyzed my current processing, he pointed out that leasing had cost me over \$3,000.

He sells the same terminal to merchants at his cost for only \$150!

Sincerely,

Dietze Music
